BULLFROG SPAS / SWIM SERIES

S200

A 17-foot Swim Series spa with four standard JetPaks and multilevel seating.

The S200 extends to 204 inches long and pairs its swim-spa layout with four JetPaks. Compare the usable activity area with the shorter S150 rather than judging only the outside dimensions. Your site plan should allow for the filled load, delivery equipment, cover handling and future service access.
